

Manailu- Old Age Home Visit

21st June 2023

A one-day visit was planned and successfully accomplished by our N.S.S. students and N.S.S. Co-Ordinator on 21st June 2023. The venue and the place of the visit was “ Mana illu” an old age home located in the outskirts of Peddapuram town about 20 kms from the college. The Principal Mr. Vilas Anil Chavan was very supportive of our agenda and had keen interest to carry out the visit as part of our college N.S.S. activity. He not only gave the needed permission but also arranged transportation facilities for those who took part in the visit.

“Mana illi” is an Old Age Home established and administered by the Badhyada Trust having Head office in Kakinada. The CEO of the trust is Mr. Satyanaryana, a well known young philanthropist who along with 5 others like minded friends in Peddapuram and Kakinada are the one’s to take care of the daily functioning of the Old Age Home. There are around 30 elderly residents both men and women who are the residents of this Home.

After a brief orientation and opening ceremony where our Principal Mr. Vilas Anil Chavan, Vice Principal Mr. P. Nageswara Rao and the visiting N.S.S. volunteers and N.S.S. Co- Ordinator’s Mr. B.K. Vidyasagar were present, all boarded the bus at around 9:30 a.m. for the N.S.S. activity visit.

Once at the old home, the N.S.S. volunteers were warmly welcomed by the administration staff and all the kind residents. The students interacted with them and read out some story books and helped them in their chores. All the N.S.S. volunteers joined in to prepare fruit juices to serve along with the snacks suitable for their age and health.

Programs and activities like group singing, painting a few pictures with crayons were done for the enjoyment of the residents. The elderly men and women shared their thoughts and gave sound advice to the students out of their life experiences.

A delicious lunch was arranged by the trustees for all the N.S.S. team and for the elderly residents. Selfies and group pictures were taken as life long memories. The students also cleaned up their living quarters and spaced up the garden which had wide variety of flowers and also a vegetable garden located in the home.

At around 3 O’Clock in the afternoon with a heavy heart but also with happy heart and satisfied mind we all took leave of the wonderful residents and began our return journey to the college.
