TRAINING &PLACEMENT CELL

"ADITYA'S" Training and placement cell, acts as a bridge between students and potential employers, providing career guidance, training, and facilitating placement opportunities by connecting them with companies looking to hire recent graduates through campus recruitment; essentially helping students secure jobs after completing their studies.

Student Career Counselling:

Providing personalized career guidance, helping students choose the right career path and prepare for job applications.

Skill Development Workshops:

Organizing training sessions to enhance student's technical skills, soft skills, and interview preparation techniques.

Resume Writing and Mock Interviews:

Assisting students in crafting strong resumes and conducting mock interviews to improve their confidence and performance.

Campus Placement Drives:

Coordinating on-campus recruitment events where companies interview and select potential candidates.

Internship Opportunities:

Facilitating internship placements to provide students with practical work experience relevant to their field.

Job Posting and Updates:

Maintaining a database of available job openings and sharing information with students through online platforms or dedicated portals.
