

TRAINING & PLACEMENT CELL

“ADITYA’S” Training and placement cell, acts as a bridge between students and potential employers, providing career guidance, training, and facilitating placement opportunities by connecting them with companies looking to hire recent graduates through campus recruitment; essentially helping students secure jobs after completing their studies.

Student Career Counseling: Providing personalized career guidance, helping students choose the right career path and prepare for job applications.

Skill Development Workshops: Organizing training sessions to enhance students' technical skills, soft skills, and interview preparation techniques.

Resume Writing and Mock Interviews: Assisting students in crafting strong resumes and conducting mock interviews to improve their confidence and performance.

Campus Placement Drives: Coordinating on-campus recruitment events where companies interview and select potential candidates.

Internship Opportunities: Facilitating internship placements to provide students with practical work experience relevant to their field.

Job Posting and Updates: Maintaining a database of available job openings and sharing information with students through online platforms or dedicated portals.
