Socio-Economically Disadvantaged Group (SEDG) Cell Guidelines

The Socio-Economically Disadvantaged Groups (SEDG) Cell is a dedicated body established in Educational Institutions to support and empower students from economically and socially disadvantaged backgrounds. The cell of the Institution aims to create more inclusive educational environment by providing guidance and support systems that help students overcome the challenges they may face in academic and social settings. The SEDG Cell thus identifies eligible students based on socio-economic indicators and then offers programmes that range from mentorship to academic counseling and Skill Development workshops that helps address specific needs.

At, Aditya Degree & P.G College, the Socio-Economically Disadvantaged Group (SEDG) Cell, is committed to fostering inclusivity and equal opportunities for all students, regardless of their socio-economic backgrounds. The cell functions as a dedicated support system to ensure that students from underprivileged sections of society can thrive academically, socially, and personally.

Objectives:

Empowerment:

Provide holistic support to socio-economically disadvantaged students to help them excel in academics and beyond.

Awareness:

Create awareness about various government and institutional schemes, Window scholarships, and opportunities available to SEDG students.

Skill Development:

Organize training sessions, workshops, and mentorship programs to enhance employability and personal development.

Support System:

Establish a strong support network to address challenges related to finances, academics, and mental health.

SHAPING YOUR FUTURE WORLD, TODAY

Key Activities:

1. Financial Assistance: Guidance on availing scholarships, fee waivers, and education loans.
2. Academic Support: Remedial classes, peer tutoring, and access to additional learning resources.
3. Skill-Building Programs: Tailored workshops on soft skills, technical skills, and career readiness.
4. Awareness Campaigns: Sessions on government and private schemes beneficial for socio-economically disadvantaged students.
5. Counseling Services: Psychological and career counseling to ensure the well-being and holistic development of students.

Impact:

The SEDG Cell has been instrumental in enabling many students to overcome barriers and achieve their goals. By addressing the specific needs of socio-economically disadvantaged students, the cell ensures that no student is left behind in their pursuit of education and personal growth.
