Aditya Degree Colleges were established in 1998 for the students who are depressed for not getting seat in Engineering and Medicine through EAMCET. The main motto of Aditya Degree Colleges is to get prepared the students to get success in any competitive examinations through the excellent knowledge acquisition. Admiring the services of Aditya Degree Colleges that makes the students as best citizens during this social media revolution.

Aditya Degree Colleges are ensuring the students that not only to give degree certificate in three years with also good campus placement in good corporate company before leaving the college. To achieving this, Aditya has introduced new professional courses from time to time as needed viz. B.Sc. Animation, B.Sc. Forensic Science, B.Sc. Artificial Intelligence and Robotics, B.Sc. Data Sciences, BBA Digital Marketing etc. with the approval of AP State Council of Higher Education and Affiliating Universities.

The Academic Director of Aditya Degree Colleges, Dr. B.E.V.L. Naidu, is praise worthy in this regard by giving result oriented suggestions to the management from time to time, effective design and implementation of perfect systems and creates confidence in the student community that they will get 100% job guarantee with degree certificate before leaving the college. The 100% placements to the degree students from the last 4-5 years are proving the perfect planning of Aditya.

Aditya Degree Colleges became true of its slogan "Job is not a chance, it is a choice of Aditya Degree student" by providing 5-6 jobs in CMM level 5 companies to its most of the students.

Aditya's wide range of contacts with the Managements/Professionals in the field of Software Industry has created a path to visit the software companies to Aditya Degree Colleges which leads to play major role in achievement of 100% campus placements by the Degree Students.

Aditya Degree Colleges - A Preferred destination for many corporate companies
