

## **TRAINING & PLACEMENT CELL**

“**ADITYA’S**” Training and placement cell, acts as a bridge between students and potential employers, providing career guidance, training, and facilitating placement opportunities by connecting them with companies looking to hire recent graduates through campus recruitment; essentially helping students secure jobs after completing their studies.

□ **Student Career Counseling:**

Providing personalized career guidance, helping students choose the right career path and prepare for job applications.

□ **Skill Development Workshops:**

Organizing training sessions to enhance students' technical skills, soft skills, and interview preparation techniques.

□ **Resume Writing and Mock Interviews:**

Assisting students in crafting strong resumes and conducting mock interviews to improve their confidence and performance.

□ **Campus Placement Drives:**

Coordinating on-campus recruitment events where companies interview and select potential candidates.

□ **Internship Opportunities:**

Facilitating internship placements to provide students with practical work experience relevant to their field.

□ **Job Posting and Updates:**

Maintaining a database of available job openings and sharing information with students through online platforms or dedicated portals.

### **Key features of Aditya:**

□ **Daily Aptitude** Classes along with regular academics

□ Every day **Group Discussion** sessions

□ Dedicated portal “**ABHYAS**” for Practice

□ Student can Practice
