TRAINING & PLACEMENT CELL

"**ADITYA'S**" Training and placement cell, acts as a bridge between students and potential employers, providing career guidance, training, and facilitating placement opportunities by connecting them with companies looking to hire recent graduates through campus recruitment; essentially helping students secure jobs after completing their studies.

 Student Career Counseling:
Providing personalized career guidance, helping students choose the right career path and prepare for job applications.

 Skill Development Workshops:
Organizing training sessions to enhance students technical skills, soft skills, and interview preparation techniques.

 Resume Writing and Mock Interviews:
Assisting students in crafting strong resumes and conducting mock interviews to improve their confidence and performance.

 Campus Placement Drives:
Coordinating on-campus recruitment events where companies interview and select potential candidates.

 Internship Opportunities:
Facilitating internship placements to provide students with practical work experience relevant to their field.

 Job Posting and Updates:
Maintaining a database of available job openings and sharing information with students through online platforms or dedicated portals.
