

ADITYA DEGREE COLLEGE FOR WOMEN

RAJAHMUNDRY

The Internal Quality Assurance Cell (IQAC) is the cell that is formulated for monitoring the quality parameters in VIT-AP. The committee was formulated based on the recommendations given by National Assessment Accreditation Committee.

Tasks of the Committee

- Develop a system for conscious, consistent and catalytic improvement in the performance of institution
- Significant and meaningful contribution in the post-accreditation phase of institution
- Channelize the efforts and measures of an institution towards academic excellence

Parameters for Internal Auditing

- Industrial exposure of the students – industry visits, internships and projects
- Out-of-classroom learning – information on guest lectures, seminars, conferences, workshops arranged by the School and participation in such activities elsewhere – information should include the details of the beneficiaries
- Efforts taken towards strengthening the infrastructure facilities as against the increasing student strength
- Conduct of Quality Circle Meetings and action taken reports
- Regular conduct of meetings at all levels and the meeting minutes
- Effectiveness of the Memorandum of Understanding signed
- Research output analysis
- Student progression
- Achievements of students (inclusive of competitive examinations) and faculty members, including publication of books / book chapters

Parameters for Internal Auditing at Faculty Level

- Question papers and sample answer sheets of the continuous assessment
- Result analysis at all levels

- Steps taken for slow learners or non-performers
- Steps taken for professional development
