Importance of Campus Placement:

Now-a-days majority of the students' goal and their parents' ambitions is to get job immediately after completion of degree course. Further, now-a-days most of the employees are recruiting in any corporate company through campus placements only.

Government recruitments are only 1-2% of the graduates, every year. Hence, campus placement is most important factor for the degree. Now-a-days campus Placement made by reputed IT/Software companies for the students of Aditya Degree College for Women (AWDC) was the first aptitude (arithmetic and reasoning) test followed by technical round (programming skills) and last round HR Interview (English Communication Skills).

Aditya's training in Arithmetic and Reasoning:

- ✓ The very beginning round of any campus recruitment is Arithmetic and Reasoning. In any campus drive; only shortlisted students in the first round of selection process (Arithmetic and Reasoning) would be eligible for further rounds of selection process i.e. Technical and HR Rounds.
- ✓ Even, the student is genius in Technical and HR rounds, there is no use if he is disqualified in first round of selection process. Hence, AWDC has recruited expertise arithmetic and reasoning lectures to offer training to its students. This training will be offered to the students from the first semester of the course.

Aditya's training on Competitive coding:

To keep ready the student to face coding interviews with high confidence in any multinational IT/Software companies at a global level, AWDC is providing regular/periodical online coding training to its students by its coding experts during the course period.

AWDC has established its own Coders HUB by choosing best technical trainers in its faculty.

These faculty members were specially trained by Technical HUB experts.

AWDC Coders HUB and TECHNICAL HUB are determined to train students in coding online with the sole aim of providing the best position in world-renowned software companies with the best package.

This, online training will be imparted by IT Software professionals at AWDC who specialize in coding. This is an exclusive training for AWDC students.

CISCO, Oracle and Microsoft certification programs:

CISCO Networking Academy, Oracle and Microsoft are one of the best certificate authorities including training which are globally recognized.

All the CMM Level-5 software companies are giving their priority to these certificates.

AWDC has associated with CISCO, Oracle and Microsoft by incurring lakhs of rupees to offer certificate courses for its students. AWDC is the institution associated with these companies in our district.

These companies will conduct online classes and tests regularly and after completion of course period, they will issue the "Programming Course Completion Certificate" to the students who have performed well in the final online test.

Hacker Rank-Coding online training Module:

Students are advised to spend more time on Hacker Rank platform for coding training by applying their knowledge and getting hands-on practice.

Further, the students are specially advised to spend more hours on daily practice tests with high concentration and make efforts to overcome their drawbacks/deficiencies in getting 5 STAR ratings in each programming language through Hacker Rank.

Online Tests on Hacker Rank, Arithmetic and Reasoning:

AWDC will conduct online tests on Hacker Rank, Arithmetic and Reasoning from time to time to further assess the students skill levels in the above.

Students should attend these online tests without fail. These online tests will further increase their ability levels in facing first and second rounds of any campus placement drive by renowned software companies.

Their daily online tests will be monitored by the HODs/Principal regularly and will be informed their level of performance through WhatsApp. The schedule of online tests will be informed in advance through WhatsApp

English Communication Skills through Pearson and MePro:

Today, all corporate/multinational companies are giving preference only to those who have shown the highest proficiency in English Language (speaking, written, reading and listening) while recruiting their employees through campus recruitments. Keeping in view of the above and with the aim of imparting more proficiency in the English language and communication skills in AWDC students, AWDC has entered MOU with Pearson India Education Services Pvt.Ltd. Who are the leaders in providing effective online practice product in English language and communication.

Skills Covered: All 4 core language skills are covered by Pearson MePro i.e.

•Speaking •Reading • Writing •Listening. In addition to the above, Grammar and Vocabulary are given additional focus by covering the min separate tasks. Content of Pearson Me Pro helps students to face any HR interview of any corporate/multinational company with high confidence and also prepare for competitive exams like PTE, TOEFL& IELTS.

Product Architecture: The Product has a total of 10 Levels and covers learning outcomes from CEFR Level A1 to C2. Each level has 10 Modules that are based on a particular theme. Each Module has a total of 8 tasks that cover the 6 skills detailed above. Each level has 2 Quizzes, 1 Review Test & 1 Level Completion Test. This software consisting of language exercises, video grammar lessons, English speaking, listening and writing tests, full practice tests, thousands of test practice questions etc. Students can attend the tests regularly in this software. After completion of each test, the software will mark their mistakes and correct it immediately. So that, the student can improve his/her English language and communication skills effectively
