Three decades of unparalleled pedagogy with its roots firmly held by experimental teaching is what Aditya Group offers to the aspiring student. What started as a humble sapling, with a strong desire to provide high standard education has grown into an awning tree, with several branches such as Junior, Degree, Post Graduation, Engineering and Pharma Colleges, Nursing, Management and Teacher Training Institutions.

Today, Aditya Group stands tall and proud, with 50 educational institutions, employing a faculty of 5000 highly qualified and experienced teachers servicing a student base of over 50,000 and bearing enriching fruit of its tenets and philosophy. The extraordinary success is because of our belief that learning is a continuous process coupled with our relentless efforts to maintain the high standards. These are the driving forces behind consolidating Aditya Group's position in the education arena as a Panacea for all student needs, from primary education to post graduation and research, and ultimately, lucrative and benefitting placements.

## REASONS TO CHOOSE ADITYA

### ADITYA C.B.S.E. ACADEMY

- ⇒ Offers intensive coaching for C.B.S.E. with the help of micro schedule
- ⇒ The student gets coaching for competitive exams like JEE MAIN, JEE ADVANCED, CA-CPT & aipm/pdet along with the coaching of C.B.S.E. Board examinations
- ⇒ Both C.B.S.E. & competitive coachings are given on the same topic in every subject on the same day and for CA-CPT coaching is given at the end of the year.
- ⇒ Counselling is given by same lecturers for both C.B.S.E. & Competitive examinations
- ⇒ As student stays in hostel, he/she can stay in the school for more time

### OTHER C.B.S.E. SCHOOL

- ⇒ Offers random coaching
- ⇒ For the coaching of competitive examinations the student needs to search for another institution
- ⇒ The student does not get coaching for cbse & Competitive on the same topic on the same day which keeps the student in state of confusion with respect to preparation and also the student loses his valuable time in moving from one place to another place
- ⇒ Counselling may not take place even though if it exists clarification of doubts cannot be done by the same faculty.
- ⇒ Time is insufficient for detailed coaching
