## CIRCULAR

The Government has decided to take plastic ban as a national level campaign to address the environmental hazards being and bring attitudinal changes that shun use of plastics. Our college also wants to promote the initiatives taken by the government. All students and staff are requested to follow the below listed measures to reduce the use of plastic and protect the environment.

1. Ban the use of single-use plastics on the campus.
2. Avoid bringing non-bio-degradable plastic items to the institution.
3. Sensitize your households and neighboring places about harmful effects of plastics and make their households plastic free'.
4. Avoid use of plastic water bottles, and encourage use of alternative solutions like cloth bags, paper bags etc., instead of plastic bottles, bags, covers and other goods on campuses.

All the students and staff are requested to personally take initiatives and protect and preserve our environment.
