CIRCULAR

It is observed and noted that few students, staff, faculty members and visitors are coming in campus using vehicles having loud horns which causes disturbance to the students in classes and also causes sound pollution.

Therefore this is to inform all the students, staff, faculty members and visitors that vehicles having loud horns and causing sound pollution are strictly not allowed to enter in the college campus.

CIRCULAR

Restricting entry of vehicles in the campus

As part of the green campus initiative, the entry of automobiles (two wheelers and four wheelers) inside the campus is strictly restricted. Staff members and students are instructed to use bi-cycle and battery electric vehicles instead of automobiles. Most of the staff members and students utilized our college bus facilities for transportation. Fully Electric Vehicles have zero tailpipe emissions and are much better for the environment.

"Say NO to Automobile! Save Humans' Smile!"
