Sir,

Sub: - Permission to attend the Workshop on Data Analysis in SPSS-Reg.

\*\*\*\*

I wish to attend the Workshop on Data Analysis in SPSS from 25-02-2019 to 1-03-2019. This workshop is to train the participants on data analysis by using SPSS along with underlying theory behind different statistical tools. In this connection, I request you to kindly sanction an amount of Rs.1000/-- towards payment of registration fee for attending the workshop. I also request you to permit me to attend the above workshop and treat my absence as on duty.

Thanking you sir,

Yours faithfully,

A Anil Kumar

### ABOUT ST.PIOUS X DEGREE & PG COLLEGE FOR WOMEN

St.Pious X Degree & PG College for Women is a catholic minority institution recognized by UGC and affiliated to Osmania university. The college has been in the field of education for the last 25 years, has won many laurels and carved a niche as one of the best colleges in the University. The mission of the college is empowering women through holistic education, inculcating competence, commitment and compassion among the young students.

**ST.PIOUS IQAC:** The Internal Quality Assurance Cell (IQAC) was established at St. Pious X Degree and PG College on 1/12/12 as a post-accreditation quality sustenance measure. The IQAC works towards realizing the goals of quality enhancement and sustenance. The IQAC has evolved mechanisms and procedures and made a significant contribution in the post-accreditation phase for ensuring enhancement and integration among the various activities of the institution and internalizing its good practices. The concerted efforts of IQAC have steered the college in attaining NAAC Re-accreditation with A+ grade with CGPA of 3.38, the highest among affiliated degree colleges of Telangana.

**ABOUT CCE:** The Commissionerate of Collegiate Education, Telangana, is created to promote Collegiate Education, giving special attention to the Institutions located in Backward and Rural areas, to strengthen Women education at undergraduate and post-graduate levels to

create educational opportunities for weaker sections of the society and to introduce need-based vocational courses replacing the conventional courses in a phased manner.

**ABOUT THE WORKSHOP :** National Assessment and Accreditation Council (NAAC) was established with a vision of making quality assurance an integral part of the functioning of Higher Education Institutions. NAAC has revised the Guidelines for Submission of Annual Quality Assurance Report (AQAR) in Accredited Institutions which have come into effect from 1<sup>st</sup> July 2018. NAAC envisages that the preparation of AQAR in the new format would facilitate the HEIs for upcoming cycles of Accreditation, and create a good database at institutional level. In this backdrop the IQAC of St. Pious X Degree & PG College has planned to organise the workshop on 9<sup>th</sup> March 2019 in collaboration with Commissionerate of Collegiate Education, Govt of Telangana. The main focus of the workshop is to familiarize the participants from NAAC accredited colleges with new format of online AQAR and any related technical issues.

**Dr. Ganesh A. Hegde**, Deputy Advisor, NAAC, Bangalore will be the resource person. A special **panel discussion** on the theme **"Online**

**AQAR: Issues and Challenges "** will also be held.

#### Who Can Attend

Principals, IQAC coordinators, IQAC members and faculty members from NAAC accredited colleges.

Ramakrishna Institute of Technology (SRIT) is one of the technological institutions of the prestigious R Sons Charitable Trust, Coimbatore. SRIT came into existence in the year 2002, approved by AICTE and affiliated to Anna University, Chennai. SRIT offers undergraduate programme & four post graduate programmes in Engineering & Technology and MBA. SRIT has an excellent infrastructure with state-of-the-art laboratories and library facilities with dedicated faculty and able supporting personnel with well-connected transport system. SRIT has signed a MOU with Kyungpook National University-Korea, Infosys (campus connect), NIT, CISCO, BSNL, SREC-CSIR, Micromax Systems, SERTEL Electronics, Roots Industries, Salzer Electronics and CODISSIA, for collaborative research and academic development. Mr. R. Vijayakumhar, an eminent industrialist is the Managing Trustee of SNR Sons Charitable Trust, and Mr. D. Lakshminarayanan is the Joint Managing Trustee and Mr. C. V. Ramkumar is the Chief Executive. Mr. M. Paulraj is at the helm of affairs as Principal of SRIT, managing the academic and research growth of the institution.

#### ABOUT THE DEPARTMENT

The Electronics and Communication Engineering (ECE) Department has a rich tradition in research and teaching. The Department offers four year B.E. Electronics and Communication Engineering Programme with sanctioned intake of 60 from 2002-2003 onwards. The Department has increased its intake strength to 120 from 2005-2006 onwards. The Department offers M.E. Communication Systems with an intake of 18 from 2013-2014 onwards. All the class rooms are enabled with LCD projector facility. The department also has

young, dynamic and energetic faculty members. They are devoted to serve the nation and community by generating and disseminating knowledge and technologies essential to the local and global needs in the field of Electronics and Communication Engineering. The Department also encourages students to take up Graduate Aptitude Test for Engineering (GATE) and Graduate Record Examination (GRE), during their final year to pursue their higher education in India or abroad.

#### ABOUT THE WORKSHOP

Rapid developments in hardware, software, and communication technologies have allowed the emergence of Internet-connected sensory devices that provide observation and data measurement from the physical world. Internet-connected devices technology continues to extend the current Internet by providing connectivity and interaction between the physical and cyber worlds. In addition to increased volume, the IoT generates Big Data characterized by velocity in terms of time and location dependency, with a variety of multiple modalities and varying data quality. This workshop discusses the different machine learning methods that deal with the challenges in IoT data. The potential and challenges of machine learning for IoT data analytics will also be discussed. This would be a great platform for the interaction of students with reputed scientists and academicians. It also opens up vistas by disseminating the recent research for industrial applications. Further, it paves way for industrialists to innovate modern products which helps in ease of processing and help for the societal development.

#### KEY CONTENT

- An Introduction to IoT
- An Introduction to Machine Learning and its Algorithms
- Unsupervised Algorithms for IoT Analysis (From Modeling to visualization)
  - KMeans Clustering
  - KNN Algorithms
- Supervised Algorithms for IoT (From Modeling to Visualization)
  - Bayesian Classifier
  - Support Vector Machine
- Boosting Algorithms for IoT (From Modeling to Visualization)

#### RESOURCE PERSONS

- Mr. D. Rajkumar, Application Engineer  
DesignTech System Ltd., Chennai
- Dr. L. S. Jayashree, Professor / CSE  
PSG college of Technology, Coimbatore
- Dr. T. Senthil Kumar, Associate Professor / CSE  
Amrita Vishwa Vidyapeetham, Coimbatore

#### ELIGIBILITY

Faculty from Engineering colleges, Research scholars, UG/PG students.

#### IMPORTANT DATES

Last date for the Registration 18/1/2019  
Intimation of Selection 21/1/2019

#### REGISTRATION FEE

Internal Participants ₹ 500/-  
External Participants ₹ 750/-

### Registration Fee

₹.500 per participant, which includes refreshments, lunch and workshop material.

### For online registration visit

[https://docs.google.com/forms/d/1zbiWhUACMF2saKsb3dmuvQzdQIEmscZhvtEjRMM5Wp0/viewform?edit\\_requested=true](https://docs.google.com/forms/d/1zbiWhUACMF2saKsb3dmuvQzdQIEmscZhvtEjRMM5Wp0/viewform?edit_requested=true)

**Mode of Payment:** The registration fee can be paid using any of the following

1. DD in favour of Principal & Correspondent, St. Pious X Degree & PG College for Women, Snehapuri Colony, Nacharam, Hyderabad, payable at Hyderabad.

2. Online payment can be made through NEFT

### ABOUT THE COLLEGE

Vel Tech is well-known for its renowned educational practices. Meritocratic efforts are taken in making education available for all via scholarship schemes. The long and important history of publication has enabled the institution to extend into many fields of Research with Excellence.

We are **Passionate Doers in Innovative Engineering Education**. Vel Tech was founded and nurtured to great heights under the visionary mentoring of Col Prof. Vel Dr. Rangarajan, Founder, Chancellor & President and Dr. Senthil Kumar Rangarajan, Foundress President. Following the footsteps of its founders, Vel Tech continues to inspire young students by providing Quality Education that everyone deserves irrespective of their financial means. The commitment of the faculty and alumni have earned national and international recognition.

### ABOUT THE DEPARTMENT

IT department established in the year 1998, emphasis is the areas of Information Technology, Software Engineering and Domain Specific Applications facilitating the advancement technological skills in students. The department was appreciated by the CSIR for the students' contribution towards the e-Governance Projects. Students of this department are undertaking advanced courses offered by CISCO, Microsoft, Red Hat, IBM and EMC2. Students are well placed in the top MNCs such as TCS, Wipro, CTS, IBM, Infosys, HCL, Hewlett Packard, Mahindra, Syntex etc. The department provides strong information technology and communication oriented academic programmes in a state-of-the-art environment to advance theoretical, experimental and applied computer science through university-recognized research facilities.

## ABOUT THE INSTITUTION

In 2010, the J X E.A. (Jaipur Xavier Educational Association) in collaboration with the Xavier alumni/ae and the well-wishers of Jaipur under the Leadership of Fr. Varkey Perakkatt, S.J., initiated a higher education programme by establishing St. Xavier's College, Jaipur to continue the work that St. Xavier wanted to do: promote human fulfillment by means of training and education in India following the motto of the founder of the society of Jesus, St. Ignatius, work for "the greater glory of God" (Ad maiorem deigloriam).

Since then the college has grown manifold serving the educational needs not only of the people of Jaipur but also across the nation. The college was planted as a small sapling in 2010 with just five streams – English and Economics Honours, BBA, B.Com and BCA. In 2013 two post graduate courses were introduced owing to popular demand by parents, guardians, students and well-wishers – MA in English and MHRM. Today within a short span of nine years the college has grown into a sturdy oak with more than 2000 students further introducing Honours in Political Science and Masters in Economics and IT.

## Hands-on Training on

RAV AND LATEX FOR  
SCIENTIFIC RESEARCH

**(June 1-6, 2019)**

**Organized by**

Department of Mathematics

# History of Information Technology

# Research in Progress

(An Autonomous University established by Government of Gujarat)

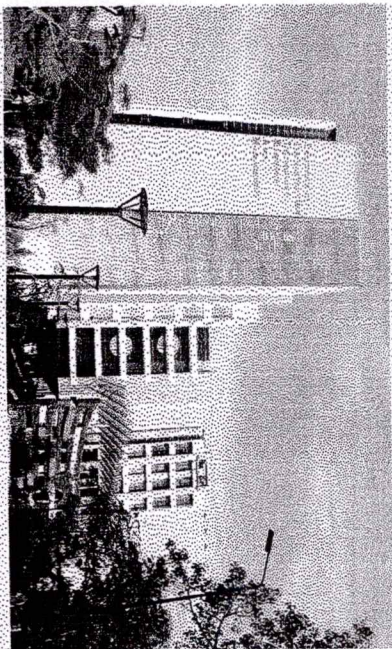

Near Khokhra Circle, Maninagar (East),

Ahmedabad, Gujarat, India - 380026

Phone: 079-67775488 / 67775499 Fax: 079 6777 5475

<http://www.iitram.ac.in>

## About IITRAM

Institute of Infrastructure Technology Research and Management (IITRAM) has been established by the Government of Gujarat as an Autonomous University and has been mandated to bring about significant change in Engineering Education with respect to Technical and Managerial knowledge in the area of Infrastructure. The objective of this Institute is to serve as a Center of excellence in Research and Teaching in all areas pertaining to Infrastructure, and the Institute has a vision of acquiring a status of National importance in Infrastructure and related areas.

## About the Department

Department of Mathematics is a vibrant department with enthusiastic and young faculty members having expertise in very diverse fields: Operator Theory, Fuzzy and Reliability Theory, Algebra, Number Theory, Statistical Inference and distribution theory, Optimization and Finite Element Method. Apart from the under graduate and post graduate engineering courses, Ph. D. program in science and humanities is started at IITRAM. The department has contributed to its best level in the rapid growth of IITRAM. The department also aims to achieve heights in research and teaching as well.

## About the Workshop

Statistical analysis is an integral part of any scientific study that includes data organizations, data display through graphs, model fittings and other computation components. The software R can be effectively used to perform statistical analysis and produce high quality graphics. R is an open source software and provides an effective and extensible programming environment for statistical computing and graphics. We can either work with built-in programs or develop our own programs. R is receiving increasing popularity among industries, academicians and researchers. In this era, the computations of statistical tools via software packages is much needed and requires some formal training to the researchers. Realizing the need of statistical computing, this workshop offers hands-on training on how to do analysis through R-software, how to reproduce results through graphs and how to interpret the outcomes.

LaTeX is a typesetting system which is used to create typographically sophisticated documents and to produce a customized PDF document. LaTeX provides a platform to create a document with customized citation styles, bibliography list, placements of the graphs and tables. LaTeX is essential for researchers to write the research papers for publications in scientific journals.

The workshop will give hands-on experience in using the R program for statistics and the LaTeX typesetting packages. The hands-on lab sessions will be conducted on both software. This training is useful for academic and research community.

## Who can participate?

- Teachers
- Research Scholars
- PG Students
- Professionals

## Accommodation:

Suitably furnished accommodation will be made available if requested in advance, in the hostels of the IITRAM on nominal payment basis for out station candidates on sharing basis.

## Topics to be covered in R:

- Introduction to R, Data input/output
- Import/export in R, User defined functions
- Control Structures in R, Graphics with R, 3D Plots
- MLE: Complete & Censored data
- Simulation, Bootstrap & Data fitting
- Regression, ARIMA & Panel data modeling
- Bayesian estimation
- Monte Carlo integration
- MCMC methods in R

## Topics to be covered in LaTeX:

- Installation of ProTeXt, MikTeX and TeXStudio on Windows computers, Introduction about TeX
- Preparing an Article, basic commands
- Citations using BibTeX and preparation of Bibliography database using JabRef
- Preparing various types of lists – bullets, numbered
- Preparing Tables and Including figures
- Preparing a big document
- Preparing presentations using Beamer
- Various packages, documentation available to resolve issues
- Typesetting Mathematical documents

## Highlights:

- The hands-on lab sessions will be conducted on both software.
- A brief review of statistical techniques will be given during the tutorials.
- A copy of the DVDs containing required software and "LaTeX & R Tutorials" in PDF will be provided to all the participants.
- A booklet containing "LaTeX & R Tutorials" will also be provided to all the participants.
- After completing the training the participants will be able to perform statistical analysis with R and write their manuscripts/thesis/report using LaTeX typesetting.
- At the end of workshop the certificates will be provided to the participants who have successfully completed all the assignments.
