Dear TPC Institute ,

Greetings from National Testing Agency (NTA),

It is pleasure to inform you that NTA is inviting applications from important education Institutions/ agencies throughout the country for establishment of **National Test Centers (NTC)**. The NTC shall serve two purposes, (i) provide place to student, to practice Mock Tests, of all examinations conducted by NTA, as is being done by the TPCs and (ii) provide infrastructure (including PCs, etc.,) to NTA for conduct of its Exam/Tests.

In this regard, we are pleased to attach a letter from Director General, National Testing Agency, marked to you. You are requested to kindly go through the letter and if interested, enter NTC website, through the link <https://www.ntantc.in/19085122581>. and fill-in Online Application Form. This link provided in this mail is for your institute only.

With regards

Pradeep Kaul

Dear TPC Institute,

Greetings from National Testing Agency (NTA),

Your Institute being our esteemed Test Practice Centre (TPC) since quite some time, NTA has sent a mail, dated, 11th September 2019 to your Institution for establishment of National Test Centers (NTC). From our registration process, we have observed, till date, you have not registered for the NTC.

I am glad to communicate that the date of submission of "NTC, Online Application Form" has been extended till 10th October 2019.

As informed the NTC shall serve two purposes, (i) provide place to student, to practice Mock Tests, of all examinations conducted by NTA, as is being done by the TPCs and (ii) provide infrastructure (including PCs, etc.,) to NTA for conduct of its Exam/Tests.

Please visit the website www.ntantc.in and go through five document uploaded, titled "Instructions for Registration", "A note on Empanelment of NTC" etc. I am sure you are interested to offer your institute as NTC and your Institute meets the criteria, you may accordingly engage a senior officer of the institution, having Exam management capabilities, as a Nodal Officer, NTC-NTA; the Nodal Officer should fill-in the "Online Registration Form" for establishment of 'National Test Centres'. This may kindly be done ASAP. I in-person would be more than happy to have you and your Institute a Partner to NTA as NTC.

In case of any clarification, the institute may seek clarification, from email: ntc@nta.ac.in or else call NTA Help Line: 0120-6895200.

Soliciting your kind cooperation in this national endure.

With regards

Pradeep Kaul
