Greetings from 247dreamjob!

We are writing to express interest to collaborate with your university and your Affiliate college's and Institution for a **Hosting India's Virtual Job Fair** for the students who's are looking for Job change's as a placement which they required in your Campus.

The Virtual Job Fair is AI Technologies based Software which helps to Jobseeker and Recruiter to reach each other. Give the interview and get evaluated as per the Job profiles of the candidate desired companies.
This will be revolution for a Jobseeker where they can interview from wherever they want and get a opportunities to hunt their desired job from the various locations.

A brief about the company:

247dreamjob is the fast mover & market leader in offline Job Fair in various locations as well as Recruitment Marketplace company which serve more than 150+ Companies. Comprising of an energetic, enthusiastic and creative team, 247dreamjob has expanded within a short span of time to a team of 60 people and over 100 locations Clients with a HQ in Mumbai, growing further at a very aggressive rate on a weekly basis.

Our exception from you.
We except and appreciate if you could inform to all your students and affiliated college's and students as per our promotional collaborated banner or content. In all promotional content your Name will be displayed.
These help to student getting awareness more and get a support from your university.
This will be free for every students and Jobseeker.

You can find more information in attachment. For any query you can get back to us.

Kindly let us know the next steps and we would be glad to take it forward.

Warm regards
247dreamjob
Prashant Shirngi -- Project Head.
