Aditya Degree College (ADC) is the first of its kind of Business School in Andhra Pradesh, it was born out of the sheer passion of the founding Chairman Dr. N. Sesha Reddy. The 30-year churning educational & pedagogic experience of Aditya is the foundation of ADC.

The institution is inspired by values, such as the principles of the United Nations Global Compact to establish a process of continuous improvement in management education. Taking the cue from these guiding factors, the academic curriculum incorporates: Corporate Readiness Programmes, rigorous Professional grooming sessions, Business Round-Up, Guest Lectures, Industrial Visits, Workshops, Management Clubs, Live Surveys, Case Study pedagogy, Simulations, Seminars and Management Fest to ensure development of budding managers and entrepreneurs for the society.

The institute has grown leaps and bounds with the support of a dynamic Director Dr. N. Suguna Reddy, who ensures holistic development of students. Principal, Dr. D. Astha Sharma is a young leader committed to develop professionals to bring laurels for the institution. With a robust team of faculty to engage in a highly interactive classroom milieu, the Institution is serving the Management undergraduates and graduates while bringing change in lives of many. Resulting in student's placement in multinational corporates, while few of them have even started their own ventures.

In recognition of the Chapter's outstanding participation by both students and faculty in HMA Programs, both at local, regional and national level and for the involvement demonstrated by the students in a variety of activities, including career guidance, community outreach, department activities, social events and sporting events, Hyderabad Management Association is pleased to confer on Aditya Degree College the "Best Student Chapter Award 2020-21".
