Subject: Revised Pearson MePro Proposal

Respected Sir,

We, at Pearson, consider it a privilege to be associated with a prestigious Group like Aditya Group of Institutions. Continued patronage from an Institute of International repute speaks volumes about the trust & confidence in the quality of our products. We thank you for this continued patronage and look forward to partnering with you for all your content needs.

Thank you for your interest shown in "Pearson MePro". Pearson is an established content provider in the English Language Learning space. Pearson MePro has been created by a team of content developers who have extensive training and experience teaching English as a foreign language, developing curricula, and writing coursework. The pedagogy and design are directly mapped to Pearson's Global scale of English – an accredited standard that is developed granularizing the CEFR scale of English.

Skills Covered

All 4 core language skills listed below are covered by Pearson MePro

- **Listening**
- **Speaking**
- **Reading**
- **Writing**

In addition to the above **Grammar** and **Vocabulary** are given additional focus by covering them in separate tasks. Content of Pearson MePro helps students prepare for competitive exams like PTE, TOEFL & IELTS.

Product Architecture

- The Product has a total of **10 Levels** and covers learning outcomes from **CEFR Level A1 to C2**.
- Each level has **10 Modules** that are based on a particular theme.
- Each Module has a total of **8 tasks** that cover the **6 skills** detailed above – **LSRWGV**
- Each level has 2 Quizzes, 1 Review Test and 1 Level Completion Test

Pedagogy

Pearson MePro uses a theme-based approach, which allows the learner to absorb the language skills in the context of a professional as well as social set-up, relevant to the needs of adult learners.

Pedagogical approach to Language Teaching – Pearson MePro follows a Task-based language teaching (TBLT). It focuses on the use of authentic language and on asking students to do meaningful tasks using the target language.

MePro extensively uses role-play, an excellent way of getting students to practice their English. They simulate real life situations and allow the learners to understand what they would do in a real situation.

Why Pearson MePro?

The key product features of Pearson MePro are as follows

- 1. Content Mapped to a Global Standard**
- 2. Personalized Learning**
- 3. Engaging Content**
- 4. Ample Assessment & Remediation**
- 5. Insightful Reports**
- 6. Certificates & Badges**
- 7. Visibility for Faculty Members on Student-Level Performance**
