

## Program Report: ChemQuest-2024

Date: October 28, 2024

Venue: Seminar hall, Pharmacy

Organised by: Department of Chemistry

### Introduction

ChemQuest-2024 was a vibrant and engaging event aimed at fostering enthusiasm for chemistry among B.Sc. Forensic Science students. The event featured a series of competitions designed to challenge participants and enhance their understanding of the subject.

Events Conducted:

We organized four main events:

#### 1. Poster Presentation

Participants showcased their innovative ideas through creative posters. This event encouraged students to express their scientific concepts visually and verbally. Chemistry related topics has been given to all the 25 Participants.

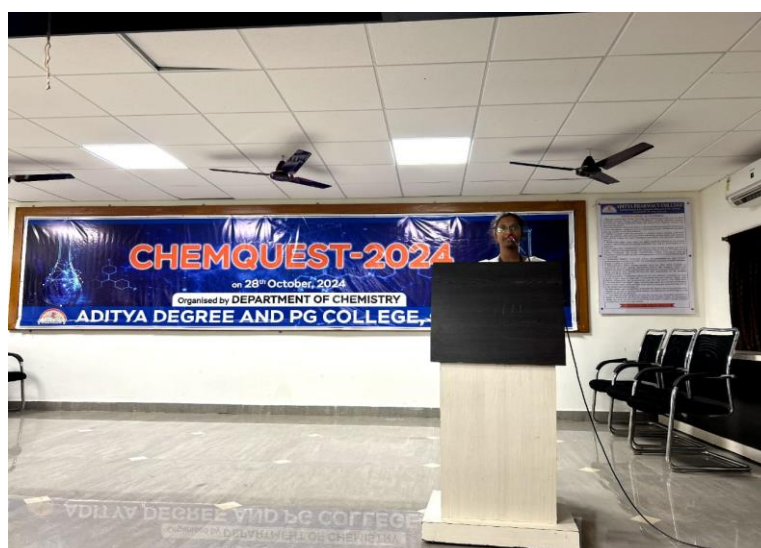

#### 2. Quiz Competition

A competitive quiz that tested students' knowledge across various chemistry topics. 30 Teams were participated enthusiastically, demonstrating their grasp of the subject matter. For all the registered 90 students screening test has been conducted team wise in the morning session and based on the merit in that screening test, 5 teams has been selected for final quiz.

### 3. Just a Minute (JAM)

A fun and dynamic event where participants spoke for one minute on a given topic related to chemistry. This activity enhanced their public speaking and quick-thinking skills. 22 active participants have been given this competition.

### 4. Group Discussion

- Students engaged in thoughtful discussions on chemistry in everyday life, promoting critical thinking and teamwork. 25 students are actively participated in this competition.

### **Guest Speakers**

Two subject experts attended the event to monitor and provide guidance:

**Subject Expert:** Dr. Arunakumari: Ass.Prof-Aditya university.

**Skill Expert:** K.Vijaya Lakshmi: Ass.Prof-Aditya Global Business School.

Their presence added value to the discussions and provided participants with insights from the field.

### **Prizes**

Winners and runners-up of each event were awarded cash prizes to recognize their efforts and achievements. This initiative motivated students to participate actively and strive for excellence.

## **Conclusion**

ChemQuest-2024 was a successful event, achieving its goal of engaging students in chemistry. The participation and enthusiasm displayed by students were commendable. We extend our gratitude to the principal **Vilas Anil Chavan** Sir, faculty, guest experts, and all participants who contributed to making this event memorable.

## **Acknowledgments**

Special thanks to:

The organizing committee

Faculty members for their support

Participants for their enthusiasm

We look forward to hosting more events that inspire and engage students in the field of chemistry.
