

WORLD AIDS DAY RALLY
Rameswaram peta,
Surampalem, Peddapuram (m)
1 December - 2023

A world AIDS Day Rally was successfully conducted by the N.S.S unit Aditya Degree & P.G College Forensic Science Department at Rameswaram peta, Surampalem, Peddapuram Mandal. The management arranged for transport to take the student and staff to the designated village to conduct the Rally. Prior permission was obtained from the concerned village head to do this activity.

The buses carried 68 girls and 29 boys along with our Principal Mr. Vilas Anil Chavan, NSS Co-Ordinator Mr. B K Vidya Sagar, Asst. Co-ordinator Mr. B V S S Udayanadh, Asst. professors. Ms. Gowri, Ms. Blessy and Physical Director Mr. Eswara Rao departed from the college at 9:30 am after the college assembly. Placards and banners were prepared by the students to carry in the rally for the day. Meaningful slogans and interactions with a few people were also done by our NSS volunteers. A short speech connected to the occasion was delivered by our Principal at the village hall. Students formed an orderly line and took a procession holding placards and posters covering the entire village. At the village center point a chain was formed and all took a pledge to eradicate AIDS. Students performed a short skit to educate the villagers on the concept of AIDS and its related aspects.

The village head gathered a few youngsters of the village and our NSS co-ordinator had a small chat with them on the aspects of AIDS. The youth clarified a few doubts and misconceptions they had on AIDS. The villagers were quite receptive to our rally and were very happy that they were enlightened about AIDS and its related issues. The message of AIDS was clearly and boldly shared with them so that their future would be bright and happy for all. After having spent quite some time in the village we came back to our college around 12 in the afternoon. The villagers and elders gave us a warm farewell. With satisfied minds in all the NSS volunteers and staff we all came back to our college having celebrated a meaningful WORLD AIDS DAY.
