STATE OF THE ART INFRASTRUCTURE & CAMPUS:

Aditya is having state-of-the-art infrastructure in a sprawling campus of 260 acres. Be it computing, networking, soft skills, sports and games or events, infrastructure of Aditya surpasses the expectations of the authorities, academia, parents and the students.

Campus Recruitment Training ProgramME (CRT ProgramME) :

The ultimate aim of Aditya is to make the campus the 'first stop' for companies in the recruitment process. Students are provided with substantial Training in Arithmetic, Aptitude and Reasoning, General Knowledge, Verbal Reasoning, Group Discussions, Interview skills, Resume drafting, Personal and Corporate Etiquette, Time Management and Goal Setting.

Aditya Collaboration with Pearson MePro

English language skills play a vital role to get selected in MNC companies. Students have to attempt Online Verbal Ability Test, Written English Test (WET), Group Discussion, HR Interviews and Versant round etc. To crack all these rounds they require good language skills like Listening, Speaking, Reading, Writing

About MCA

MCA (Master of Computer Applications) is a professional Master's Degree in Computer Science. It focuses on providing a theoretical as well as practical training to students in the related field.

Computer application is a use of computer to solve a problem or to accomplish a particular job. This course is designed to meet up with the demand of qualified professionals in the IT field. The course emphasize on latest programming languages and tools to develop better and faster applications.
