GROWTH OF GREENERY AND ENVIRONMENTAL PROTECTION IN AND AROUND

Within the campus, the institution maintains a clean and green environment. By establishing a distinct cstatc maintenance wing, the Institution ensures the preservation of the Environment. It maintains the lawn and plantations by employing gardeners and sweepers. Sri Aditya Degree College is more concerned with keeping a green campus and being environmentally friendly, which ensures that pure oxygen is available throughout the building. The campus has been made greener by the addition of more trees, providing a pleasant environment for students to learn in and faculty members to work in.

In a step towards fostering eco-sensitive awareness, Sri Aditya Degree College has over the years nurtured and nourished a well-maintained garden environs in the campus. We have many species of exotic and regional varieties of plants in the garden.

Sri Aditya Degree College always gives importance to have pleasant atmosphere and pollution free environment grow greenery in and around Sri Aditya Degree college premises.
