REPORT

Name of the Program: A seminar on Career Counseling

Date: 18-02-2025.

Venue: Cellar, Aditya Degree College, Gopalapatnam.

A career counseling program was held in our College on 28th September for **Venue: Seminar Hall, Sri Aditya Degree College Bhimavaram** am was basically for the students of BCA/BSc/BBA which are in their career deciding years. Aditya degree college organized the program in the Cellar of the college at 10 AM .

Firstly our counselor Ms.Deepika Roy has introduced us to various courses of science, commerce and arts as the basics and then she explained us the sea of opportunities in the outer world. She also encouraged us on choosing the field we're interested in rather than allowing somebody else to govern it. In the program we also learnt about various subjects of courses such as geology, archeology, arthshastra and many more which are generally not told to the students. We should choose the subject and area in which we're genuinely interested and only then we will be able to succeed and make a name for ourselves. Our various subject teachers also told their experiences while introducing their subjects and telling us the courses that they did in order to become what they are.

All the students learnt a lot in the program and were very happy that our college is organized such an interesting program.
