COURSES OFFERED

B.Sc Computer Science

B.Sc with Mathematics, Physics and Computer Science is a programme with equal impetus to the basic sciences and their applicability in information technology. This stream is provided with a good knowledge about computers and it is an evergreen group for the students who like physics and are interested in computers. Highly equipped labs are provided for physics and computer subjects. There are plenty of job opportunities and students can go for higher education in universities in all the 3 subjects.

ELIGIBILITY INTERMEDIATE MPC

B.Sc Artificial Intelligence & Robotics

In B.Sc (Artificial intelligence) is an area of computer science that emphasizes the creation of intelligent machines that work and react like humans, its main advantages include's reducing human involvement in selected jobs, minimal or no errors. Our main aim is to produce Machine Learning Engineers to build and manage platforms in AI projects.

ELIGIBILITY INTERMEDIATE MPC,MEC

B.Sc Data Science

In B.Sc (Data Science) is a "concept to unify statistics, data analysis, machine learning and their related methods" in order to "understand and analyze actual phenomena" with data. Our aim is to produce Data Scientists to work in Big Data Sector.

ELIGIBILITY INTERMEDIATE MPC,MEC

Bachelor of Commerce (B.Com Computers)

In the B.Com computers course, candidates are taught core subjects related to Commerce, Computers and Finance. This program is usually spread over six semesters during which the student is taught topics like Financial Accounting, Corporate Tax, Economics, Business Statistics, Auditing, Business Management, etc. B.Com is the best option for students who want to make a career in Commerce, Accounting, Finance, Banking and Insurance. B.Com is also ideal for those who wish to pursue Chartered Accountancy, Cost Accounting and Company Secretaryship. After completing B.Com, students can also pursue career in Management, Teaching, Advertising, Law, Journalism, Mass Communication, Design, etc. The average starting salary of a B.Com graduate is Rs 3 lakh and upwards.

ELIGIBILITY INTERMEDIATE MPC,MEC,BIPC, CEC,HEC

Bachelor of Computer Application (B.C.A & B.C.A-DATA SCIENCE)

After completion of SSC, almost all the students prefer to opt either MPC/BIPC groups in +2 for securing a seat in professional courses of Engineering and Medicine. For Bi.PC students due to non-availability of adequate number of seats in proportion to the demand, though the candidate comes out with a comfortable rank in EAMCET, it may not become practically possible to secure a seat in medicine. A student need not be disappointed for his inability to get a seat in Medicine as bright chances are thrown open to BiPC students to shine in IT sector. Undoubtedly the present day society is replete with wide openings for IT Professionals due to rapid industrialisation and entry of multi-nationals in the global arena. As students belonging to BiPC stream are eligible to seek admission in three year BCA course, why can't you make use of this golden opportunity and aspire to achieve the destination of carving as an IT professional.
